---

This web site is in no way a publication of Sonex, Ltd. or any other corporation. All products mentioned are not necessarily recommended for use, but are included for informational purposes only. All builder's tips and supplemental instructions represent only the means by which the builder of the airplane shown in this website chose to build his airplane. Builders tips and instructions are not meant to replace the plans and instructions from Sonex, Ltd.. All Builder's tips and instructions are presented only as a source of information and a forum for exchange and the sharing of ideas and construction methods. NO responsibility or liability is assumed, expressed, or implied as to the suitability, accuracy, safety, or approval thereof. **Any party using the suggestions, ideas, instructions or examples from this website does so at their own risk and discretion and without recourse against anyone.** The owners and authors of this website are not responsible for any product, builder's tips misuse, incorrect construction, or design failure, nor any other peril. Any material from this website may be reprinted without permission for non-commercial use, but please give credit to the author. Re-use of any material from the pages within this web site (text or graphics) for commercial gain is expressly prohibited without prior written permission from the web page administrator and original author, artist or owner of the specific item being re-used.
